FOR PREPARATION AND REINVENTION
IN A WORLD OF INTELLIGENT MACHINES

Superhuman

Mastering AI Agency to Exceed Personal Limits

WITH
HISTORICAL,
PHILOSOPHICAL,
AND TECHNICAL FOUNDATIONS.

S. Clay Turner
Author & Technical Founder

Copyright and Redistribution Notice

This book, including all written content, images, and audio recordings, is protected under U.S. and international copyright laws. No part of this publication may be copied, reproduced, distributed, or transmitted in any form or by any means, including but not limited to electronic, mechanical, photocopying, recording, or other methods, without the prior written permission of the author or copyright holder, except in cases permitted by fair use or statutory exemptions.

Personal Use License

By purchasing this book, you are granted a **non-transferable, single-user license** to access and download the content for personal use only. You may not share, resell, or distribute this content in any form, whether for commercial or non-commercial purposes.

Digital Watermarking & Anti-Piracy Measures

This book may contain unique identifiers (such as your purchase details) embedded within the digital files. These measures help trace unauthorized distribution and protect the rights of the author.

Enforcement & Legal Action

Unauthorized redistribution of this content, whether in whole or in part, constitutes a violation of copyright law and may result in legal action, including but not limited to monetary damages, statutory penalties, and injunctive relief. The author actively monitors for copyright infringement and takes necessary steps to enforce their rights.
